Dawning of a New Year

Billy Roy, Shawn Nottingham, Martin Sharp, Curtis Murray, and P. J. Harper are overjoyed to be starting a new year. ☺

The 1990 Warrior Yearbook Staff: Lori Hanna, James Boehmer, Pam Jacks, George Goode, Shawn Nottingham, Kelley Odon, Jeanette Canada, Sheila Evans, Alsha P. sell, Julie Murphy, Jamie Grogg, Lori Nelson, Linda Mullenox, Lisa Furr, Rachel Withers, Morgan, and Lisa Fox (not pictured). ☺☺

...as that time of year again, when the summer came to a close and the leaves began to turn gold and scarlet, when everyone shuffled around in department stores buying new clothes, and we all became a bit anxious, especially our parents. Until...

The first day of school arrived. You woke up, showered, got dressed, ate breakfast, and patiently waited for the bus, the butterflies gradually growing in your stomach. Finally, when the bus arrived, you boarded it, seeing many familiar faces and also some new ones. You found a seat and talked with friends you hadn't heard from in three months.

You arrived at school and immediately headed for your homeroom. There you saw many of the same people from last year. You picked up your schedule and locker assignment from your homeroom teacher. Scanning your schedule, you — OH NO, we've given you Speech, Trig, and Pre-Prep English the first three pe-

riods, and you didn't even sign up for them!

So you headed for the office to get your schedule changed as soon as possible. As you rounded the corner and started up the hall, you saw a traffic jam in front of the office.

You decided to wait on getting your schedule changed and go to attempt to open your locker. You found it in the most secluded part of the whole building, and you know it had to be your locker because the number was missing! You pulled out the 3"x5" card and began spinning the dial.

The first attempt yielded no success and neither did the second, third, or fourth. Finally, you came to the conclusion that it wasn't the right combination. Throwing your hands in the air, you slumped to the floor and exclaimed, "Won't this day ever end!"

Seniors Travis Shinoberry, Brad Frum, and Rob Alkire seem to be discussing something grove.

A classic scene of High School Life: the bustling hallway.

Missi Pooge, senior, seems to find her pencil quite tasty, as senior Lori Mothery chats with some friends.

Copy, Captions, Pictures, Layouts, Deadlines!!

This year the fate of the yearbook was left in the hands of 18 individuals, a large number for a yearbook staff, but that didn't mean less work. Copy and captions had to be written, layouts designed, and pictures used. Each deadline had to be met.

On October 9, a large portion of the journalism class attended a workshop held at the Charleston House Holiday Inn by Walsworth Publishing Company. Each student chose two classes to attend: one in the morning and one in the afternoon. The classes consisted of two levels of layout design, trends, photography, copy writing and editing, and special topics. The journalism class worked diligently, though thoughts of Town Center were in their subconscious as the students were given an hour there for lunch after their first class. The day was a productive one as much was learned about the designing of a Yearbook With All The Extras.

Good photography is an essential part of yearbook development.

The photography class provided the yearbook staff with quality pictures for each section of the yearbook. Therefore, they must attend many activities, sports and otherwise, throughout the year and also roam the halls and classrooms in search of that "perfect" picture.

The process of designing a yearbook is a long and hard one, but in the end the journalism class and the school as well have a product that they can be proud of.

The math department offers eleven classes: Algebra I and II, Trig., Geometry, General Math I and II, Tech Math I and II, Shepherd College Trig., and Precalculus. The department's teachers are Mrs. McGee (department head), Mr. Tupper, and Mr. Lambert. Dr. Leary teaches the college credit classes.

Satellite Education offers three classes: Anatomy and Physiology, which is offered through the University of Alabama; Probability and Statistics, from the University of Kentucky; and Russian I, from the University of South Carolina.

Satellite Education is just like regular classes except students are in one place, learning via satellite, and the teacher is in another. Molarity and Democracy

The science department of PCHS is full in the hands of two ladies, Mrs. Sharpes and Mrs. Remy. Together they teach students the same old approach to life. Mrs. Remy's classes of physical science, chemistry, and physics learned new science skills and concepts. Mrs. Sharpes' biology classes, on the other hand, learned about the development of human life and life in other ecosystems. The highlight of biology class seems to be frog dissection in which, for a final project, the students arrange the bones of the frog in many interesting and amusing ways. The favorite part of all science classes is laboratory work because it adds a break to the daily routine and allows students to participate in scientific experiments.

Social Studies classes

teach us about the history of our country and the world around us. They take us to the past and lead us into the future. The first of these is American History, followed by World Cultures and Economics/Contemporary America. These classes are taught by Mr. Stewart, Mrs. Keller, and Mr. Rexrode.

Another class offered in the Social Studies department is Psychology, a social science that deals with the behavior and thinking of organisms. This year the psychology class took a six-week recess in order to study the Constitution in depth. Their purpose was to enter a competition held in Morgantown in January on their knowledge of the Constitution.

Sophomore Alex Fultz takes a five-minute break from her World Cultures assignment.

Throughout the year, Mrs. Leary started ceramics and silk screen. The foreign language department consisted of Spanish and French, with Mrs. Karen Friel and Dr. Denise McNeel teaching several levels of each language, respectively.

The Spanish classes consisted of Spanish I, Spanish II, and Spanish III. The Spanish classes attended a Spanish Folk Festival in Booneville. Dances, food, and crafts were displayed there.

French divided into four classes. The French students tested the skills against other schools in two separate competitions, the Bethany Foreign Language Festival and the county French Festival for students in French I and II.

"SPECIAL STUDIES"

Special education is a class for students who have learning disabilities in specific subjects of school work. This class furthers the students' skills in these areas so they will be better prepared for the future. Development of these skills helps the students to find jobs they are interested in and that they will enjoy doing.

The students were usually rewarded for their cooperation and hard work by having a field trip of some sort. Due to the lack of money, that was impossible to do this year. The Annual Special Education Picnic was held at the Seneca State Forest in return for their dedication.

The Enrichment Program is a form of special education also known as the Gifted

Program. To be a part of this program, the students were tested in first grade and their position is based upon their scoring.

The Enrichment Program allows students to progress faster and be exposed to more than regular classrooms. It also encourages independent study and opens more options to them. For example, a student may test out of a class by scoring high enough on a prepared test. If the student scores at a preset level, he does not have to take that required course.

Overall, the program consists of more individualized classes. All activities that are included are planned so that there is some valuable educational experience.

Freshman Samuel Madison is taking a break during his special education class.

Junior William Lipscomb seems to be trying to figure out the photographer's line of thought.

John Pitt and Scottie Arbough, sophomores, and David Johnson, freshman, enhance their reading skills.

Preparing For The Future

The business classes kicked in the beginning of a new and productive year. Mrs. Stewart and Mrs. Rhea teamed up to teach about half of the student body in the school. They offer Typing I, Typing II, Word Processing, Accounting, and General Business for the beginners who are planning to enter into the business world. Those who want to continue their business career proceed to the classes that will better prepare them for the future; they enroll in Advanced Word Processing or Advanced Accounting.

Office Technology was shortened from one block class, which consisted of two periods, to one period but is still highly recommended to those students wanting to enter into a business career.

Dr. Leary is off and running with his computer classes. He offers Comal, Pascal, BASIC, Easy Script, Paperclip, Data Base, Spreadsheet, and Keyboarding to his students just starting out in the computer world.

Nursing is an advanced vocational class at P.C.H.S. It deals with the basics of health care. Both Nursing I and II do a lot of hands-on training.

The classes made trips to Markinton to Pocahontas Memorial Hospital and to Pocahontas Continuous Care Center three or four days a week. At the hospitals, they worked directly with patients and received on-the-job training. This training could one day lead to a nursing profession.

The Home Economics Department consists of several different courses. They are Home Ec. I, Parenting and Child Development, Nutrition and Foods, and Clothing. They are taught by Mrs. Linda VanReenen. Each class offers the chance of learning more about preparing for a future as a parent and homemaker.

There was a Future Homemakers of America chapter in each class. In December there was a Christmas Tea for the faculty and staff. Each Home Ec. class participated.

As with previous years P.E. has been an important part of the curriculum. The development of the body is as important as the growth of the mind. Not much credit is ever given to the P.E. instructor that devotes her time to the health of her students.

As it is a requirement, a student must pass P.E. in order to graduate. Some of the things they do are calisthenics, exercises to get the body warmed up, and various sports including basketball, soccer, field hockey, and football.

Another important event included in P.E. is gymnastics. Students try to show their abilities by attempting backward and forward flips, tumbling, and other stunts.

Other things the club has participated in are the State Poultry Festival, State Fair, State FFA Judging Contest, FFA Scholastics Contest, FFA ASCS Land Judging, Land Judging, and an activity night. During the 1989 season, the varsity girls lost several heartbreaking games. They ended up with a record of three wins and seventeen losses. The girls, however, did score some personal "bests" during the season. Missi Poage scored 22 points in the Coolton game, and Lori Matheny had a high of 13 points during the Webster game.

As for the juniors, Kelley Gordon scored her personal best against Coolton, scoring 30 points, and had a season average of 11.25 rebounds per game. Teresa Mikk scored 22 points during the Tygart's Valley game. Sophomore Kristi Miller scored a season high of 19 points and averaged 6.05 rebounds per game.

The junior varsity girls had a very impressive season, consisting of seven wins and one loss. Missy Jordan scored a team high and a personal high of 19 points during the Coolton game and had a season average of 6.8 rebounds per game, while Dawn McLoughlin had a high of 15 points during the Tucker game. Holie McDaniels averaged 7.75 points per game for the season. The 1983 football team had a disappointing season. Mike Gillborn, the head coach, said he had a "scrappy" team that gave their best. Even though these kids had a bad season they were one of the best teams, all time, he's ever coached. commented coach Gillborn. He was disappointed in some students that should have played this year, but didn't go out for the team. Because of this, he had to buy many young players.

This year's team formed a "special" unit, they were the self acclaimed "Mack Squad". It seemed that during each game, a few opposing players were sidelined during play. It's not that we take cheap shots all the time, it's the other team that can't hang. commented one player. You gotta keep your head up at all times on the field or you'll lose it.

Exciting! That one word spells out the 1990 basketball season for the Junior Varsity and Varsity Men's teams. The season, from December to February, was filled with excitement and exhilaration from the very first game. Under the direction of Coach Bob Sheets and assistant coach Chuck Workman, the two teams ran and practiced plays and drills and learned how to operate as a unit instead of as individuals.

The Junior Varsity Warriors had a good season, ending it with a 9-9 record. The leading scorers for the J.V. team were David Dilley and Matt Workman, scoring 17 and 15 average points per game, respectively.

The 1990 Varsity Warriors were high-fliers, ending the

season with 15 wins and only 6 losses. The Warriors dominated most games with the use of great precision and teamwork. The leading scorer was senior Jason Armstrong, who broke the previous school record career scoring mark of 1,119 points with his 1,155 points. Jason was also selected as the AP Player of the Week during January 15-19, as he scored 75 points in two games. Senior Stacy McClure also set a new school record of 3-point shots by making 8 in a game versus Richwood.

Unfortunately, the Warriors lost to Greenbrier West in the opening game of the sectional tournaments.

"We had an outstanding year, which ended all too quickly," said Coach Sheets.

1990 Track was off and running from the first race to the last. The team performed terrifically under the tutelage of Coaches Sue Shupe and Betty Blankenship.

The members of the 1990 Boys Track team were: sophomores Charlie Cole, Ben Ziegler, and Cameron Barkley, freshmen David Reed and Chris Sheets. Cameron Barkley set a new school record in the 2-mile run with his time of 10:22.

The 1990 Girls Track

team included Juniors Heather McGee, Katie McGee, Teresa Mick, and Cindy Burke, sophomores Cheryl Green, Stacey Oliver, Dana Cutlip, Becky Campbell, and manager Jessie Walton, freshmen Amy Peacock, Hollie McDaniels, Angel Halterman and Sarah Burt-Kinderman. Teresa Mick tied the school record in the open 200 with a time of 27.4.

The girls 4 x 400 relay team, which included

Heather McGee, Stacey Oliver, Amy Peacock, and Teresa Mick, went to state. Teresa Mick ran the Open 400, and the 4 x 100 relay team also participated, which included Cindy Burke, Hollie McDaniels, Heather McGee, and Teresa Mick. Cameron Barkley ran the 2-mile. Though they ran their best times for the year, no one placed in state competition.

To many, the most exciting part of school is lunch. Most everyone eats lunch, whether it is hot or cold. This year the journalism class took a student body survey to find out just exactly what the students ate and where.

Pizza seemed to be the favorite among those who ate hot lunch. The least favorite were fish and macaroni and cheese. When asked "Would you like to have a designated eating area?" one student replied, "It would be nice if they had picnic tables outside for us to eat on."

A lot of students "brown bag it." They say that it is cheaper to pack than to eat hot lunch. Those who pack bring such foods as sandwiches, chips, cookies, candy bars, and pop or juice. A lot of students don't get full after eating hot lunch, so usually they go to the concession stand.

After lunch it is time for the students to "hang out." A lot of students just walk around or sit in the hallways, but the number one place to visit is the gym. It is amazing how the student body can find time to eat lunch and socialize all in a half hour.

WORKING: BABY, I

The result of this magnificent play, presented by WV Theatre Company, is not reflected by the actors' expressions.

Getting Together!

Among all of the hard work that has to be accomplished in school, there are special activities that occur as a reward for achievement and dedication throughout the year.

These activities involve excitement and a chance to expand one's knowledge. One of the most memorable assemblies this year was one of Edgar Allan Poe's plays. This event was very educational. Another assembly that was sponsored by the Arts and Humanities Council was a concert by "Stark Raven." This allowed the students to relax and enjoy a day after exerting themselves in their classwork.

One of the most extraordinary assemblies that occurred this year was having the privilege of seeing some modern gear of the United States Army. Also, the school experienced watching a soldier do a common Army technique, which was scaling the wall of "the silo." This was interesting to those who are planning to attend some sort of Armed Forces after graduation.

A very important assembly that took place this year was the Drug Awareness Program. The theme of this program was "Only Sick People Need Drugs." There was an essay contest which consisted of first, second, third, and fourth places and

the poster contest that was made up of first and second places. All winners received prizes that ranged from U.S. Savings Bonds, gift certificates and cash. The winner of the essay contest was Matthew McKean, and the following places went to: 2nd - P.J. Harpe, 3rd - Beryl Landis, and 4th - Allen Landis. Those receiving prizes for the poster contest were 1st place - Matthew McKean, and 2nd place - Teresa Wilfong. All contestants put forth effort and showed that they care enough to support the theme of this year's program: "Only Sick People Need Drugs."

A very interesting and worthwhile assembly that was taken seriously by the student body was "Date Rape." A video was shown on date rape in the gym, and all students returned to their homerooms and worked in groups to discuss and express feelings on the issue. Activities such as a pop quiz were included to keep students occupied and interested. Overall, the "Date Rape Program" was a great success and encouraged students to make the right decisions.

Some events throughout the year were planned, like those already mentioned, but, on the other hand, some were not. For example, a bomb threat! This was very exciting to all the students because it was a chance to be out of class. The "Bomb Threat" was taken into the Board of Education Office and reported to the State Police. Everyone was evacuated from the building until the school was searched by the Marlinton Fire Department and the Pocahontas County Sheriff's Department. After the school was searched, everyone returned to their normal, busy schedules because it was a prank.

HILLBILLY OLYMPICS

This year the students of PCHS would have made Daisy Mae and Little Fibner proud during the annual Sadie Hawkins Day events. The hillbilly in everyone emerged and came forth to compete in the "Hillbilly Olympics." Competition was fierce and intense in what could possibly be called the most competitive Sadie Hawkins Day ever.

The students took part in many events, which consisted of the neck and ball, egg and spoon, lifesaver relay, piggyback race, three-legged relay, and the wheelbarrow relay. There were also contests in which individuals participated. These were the crab race, the bean-spitting contest, and the pie-eating contest.

Tension was high as the classes cheered on their teams with great enthusiasm. However, as the day drew to a close, there could only be one winner. To the sheer delight of the sophomores, they beat the seniors by one point. The juniors secured third place, followed by the freshmen, who had their first taste of the "redneck relays."

The Sophomore class is very proud to have won the 1990 Sadie Hawkins Day!

"But I'm trying!" Junior Terry junior is saying to Mr. Beverage as sophomore Charlie Cole uses plenty of air to blow his bubble!

Senior Stacy McClure is in a hurry as he races toward the finish line.

Teachers Not Much Better Off Now!

On the 14th and 15th of March 14 and 15, all West Virginia schools were closed, which is a "cooling off period" was called by State Superintendent Mordecai of the teachers from 46 of the 55 counties had gone out on strike. Strike? This was definitely a test for the state of West Virginia!

Although Pocahontas County was one of the nine counties remaining in their classrooms, our teachers were very concerned about many of the same issues as the striking counties. The future of education in West Virginia was beginning to look very dim, and the teachers

became very determined to do what they could about it. Among the statewide concerns were continued funding for the retirement and insurance systems and a five percent pay raise, since WV teachers rank 49th out of the 50 states in salary.

The strike ended when all teachers returned to their classrooms on March 19, after missing as many as 11 days, with the promise from top legislators to call a special legislative session to address educational issues. Governor Gaston Caperton had refused to grant that request.

Concerning the educational system are the Pocahontas County representatives.

Holding their signs with enthusiasm are Mrs. Frier, Mrs. Rolston, Mr. Hall, Mrs. Smithstad, Mrs. Burns, Mrs. Shupe, and Ms. Blankenship.

Standing their ground are the West Virginia representatives.

Young People of the Year

Students who have been elected to the French Honor Society are: Donnell Morris, Lisa Sharp, George Vroom, Lisa Morris, and Billy Carpenter. The French Honor Society is a club for students who have very high grades in French classes. During this school year, new members will be initiated. They will have an overnight stay at the school. Members are required to be able to speak French. The Student Council can remove a person from every room so that everyone can be informed of what is happening. These representatives can talk to their classmates about ideas they have for the school. This year the student council prepared computer data letters for the Ultimate Match.

"P.C.H.S. Drama Presents"

This year students as well as a few members of the community presented "The Mockingbird of Chastel" a comedy with a social-satirical flavor set in present day Paris. The play premiered on Wednesday, February 23, to a less than school student audience. However, as the performances continued and word began to spread about the show, the tickethouse began to fill until the Saturday and Sunday performances were sold out.

The play centered around an idealistic group of people

come far too corrupt and materialistic.

As in all the play received rave reviews, and both the cast and people in attendance thought Nicolette Molokar did a wonderful job as director.

In a school survey, the following discoveries were made. The money spent on school clothes was \$200 per year, and hot spots were Fashion Bug, and K-Mart. The clothes kids "wouldn't be caught" in bottoms and "hippie clothes."

When asked their favorite outfits were, the following students responded. Nottingham, senior, said, "I like baggy stuff," and Sheila said, "I like jeans, a sweater, turtleneck, and my tennis shoes." Tina Dean responded, "My holey jeans and a t-shirt." Marty Coleman, freshman, said, "I feel best in a majority of the students only wear the same old."

Competition With Class

The excitement of Spirit Week kicked off during the week of October 2-6. Many students showed their true colors for their school by dressing up, decorating the bulletin boards, or participating in the "Powder-Pull" football game.

The week commenced with the bulletin board decorating contest. Each class decorated like crazy for the Friday judging, but in the end the Senior Class came out on top.

Wednesday was the first dress-up day with the theme being "Surfin' and Hawaiian Day." The Seniors again took the gold in this event.

Thursday had the theme of "Inside-Out Day", which meant that everyone wore their clothes inside-out. The Junior Class out-dressed the others.

The Juniors won "Maroon and Gold Day," which was Friday's theme. That day every-

one could dress up in the school's respected colors, and all involved showed their true spirit.

Friday was also the day of the "Powder-Pull" football game, in which the girls played and the boys were the cheerleaders. The Seniors and the Sophomores played the final match. The game ended in a tie, with one touchdown each. After the game, the cheerleaders put on a pep rally and the football team was introduced.

The overall winners of Spirit Week 1989 were the seniors. But the real winner of Spirit Week was the entire school. Congratulations to all!

P. J. Harper, Brett Carr, Philip Warren, Scott Lombert, David Pullenberger, Brad Frum, Travis Shinberry, Mike Lane, Jeff Moore, and Robert Albre seniors, are showing their class spirit by building a pyramid during the "Powder-Pull" football game.

Juniors Donald Greathouse, Mike Wolfe, Shane Althaus, Richard Lane, Tom Crickenberger, Jeff Weber, Tina Palmer, and Harriet Holley, along with freshman Mark Kane, anxiously await the outcome of the "Powder-Pull" football game.

Juniors Richard Lane, Joey VanDevender, Tom Crickenberger, James VanDeenen, and Richard Hill laugh at Jeff Weber's graceful cheerleading.

HOMECOMING EXCITEMENT

The theme for the 1989 Homecoming was "Let's Get It Started." To get the football team pumped up, each class participated in designing posters for the Homecoming. The final results showed the seniors reigning on top.

The game began at 7:40 p.m. on October 6, with the Vikings playing Petersburg. The Vikings led 13-0 going into the fourth quarter. The Warriors scored once, failing to score the two-point conversion. With 55 seconds remaining in the game, the Warriors scored again, and again missed the two-point conversion. Final score: 13-12.

REFLECTING BACK

In childhood, memory never has a meaning
 Soon burdens are borne and we mature
 Life is reflected on
 Memories mean more than gold, now
 Regrets, dreams, and triumphs taught us so much
 Foolish we are as youngsters
 Now we glance over our shoulders at the past
 Childhood friends play forever in our minds
 A companion some lost in the sands of time
 The people you respected and admired so much
 And that moment you can say you became an adult
 Your first taste of maturity, we remember it so
 So much we learned,
 So much we thought we didn't
 We saw the doors open, we saw them close
 Memories . . . the pennies of the past, fortune of the future

Senior Survey

This year a survey was taken of the senior class. Of the surveys received, 57% were from female students and 43% were from male students. 57% of the seniors surveyed planned to attend college or some other type of educational facility, 33% did not plan to further their education, and 10%, believe it or not, still did not know what the future would hold for them. 57% of those planning to attend college were going in-state, while the remaining 43% wished to obtain their education from an out-of-state facility. 64% of those seniors attending college planned to go to college for 4

years or more, and 36% planned to receive their particular degree in a 2-year period.

When asked if they planned to get married soon after graduation, 75% of those surveyed gave a negative response, 12% had plans to wed, and 13% were undecided. 48% of the seniors believed that they would stay in WV; 73% did not intend to live with their parents after graduation, 25% intended to, and 2% were undecided. Approximately 54% of those surveyed owned their own vehicles, and 56% had some type of job.

Brooksie Barnett is just one of the many seniors who own their own vehicles. ¶

Mrs. Stewart seems happy as she was chosen favorite teacher by the seniors. ¶

Robyn Timney senior holds a check that could have been written by many of the seniors for their expenses. ¶¶

The favorite type of music was rock, with country coming in a close second for favorite singer or group. Hank Williams, Jr. was first choice, Milli Vanilli was second, and New Kids On The Block was third. The top three songs were "Girl, I'm Gonna Miss You" by Milli Vanilli, "The Rose Is On" by Sawyer Brown, and "Chains" by Patty Loveless.

SAWYER BROWN

The number one TV show was The Cosby Show. Rescue 911 and Baywatch tied for second, and Full House and Tour of Duty tied for third. The top 3 movies were "Tango & Cash," "Roadhouse," and "Turner & Hoach." Of those surveyed, the overall favorite past-time was partying, while others preferred dating or simply cruising for enjoyment.

Most seniors felt the most rewarding event of the year was graduation, while their classes were the most boring (a symptom of the beginnings of senioritis?). When asked where they would be in the year 2000, most seniors were not certain. Others felt they would be outside of WV, and some believed they would stay within the state.

Standing tall and looking serious is John Berry.

The junior class officers for 89-90: Nathan Gibson, president; La Beckwith, vice president; Kate, J., don secretary; Richard Hill, treasurer.

The junior class, a close knit bunch, have fulfilled, and hopefully will continue to fulfill, their hopes and dreams. For the past three years they have worked together to make their high school years the best. They have accomplished a great deal, including coaxing the Board of Education into letting them hold the 1990 junior/senior prom at Silver Creek.

In academics, juniors increased their knowledge of the way our country operates its culture. Economics introduced them to the realms of strikes, union, and the free enterprise system. In English the juniors emerged themselves in such things as the works of Poe, America's earliest master of the horror tale.

All in all, this was an excellent year for the juniors. It served as the perfect prelude to their senior year, when they will reign supreme.

The sophomore year is perhaps the most difficult year of high school. Sophomores are no longer freshmen, but yet they still are not upperclassmen. Therefore, they are lost in the midst of the transition that takes place from one's freshman year to his or her senior year. They have established their foundation in high school and are beginning to build upon it.

Sophomores are required to take classes such as Biology, World Cultures, and Health, which can make a full evening of homework. Some students who wish to extend their potential "double up" and take both Geometry and Algebra II during their sophomore year. Whatever the case, the sophomores remained active throughout the year.

The highlight of this sophomore year was perhaps their winning overall on Sadie Hawkins Day. Competition between the seniors and sophomores was fierce throughout the day. However, in the end, the sophomores enthusiastically beat the seniors by one point.

Sophomore officers are Lindell Alderman, President, Lisa Sharp (Vice President), Amy Workman (Secretary), Missy Jordan, Treasurer.

They Keep Us In Line . . .

The PCHS faculty works hard to keep students interested in the coursework that they teach. They also try to develop the students into responsible adults. Up to date courses are offered to the students to develop their skills for future schooling and jobs.

Our staff has taught a total of 412 years, with an average of 16 years. They attended many colleges and Universities throughout the United States, such as Marshall University, Fairmont State, Cornell University, WV Tech, St. Mary's School of Nursing, WVU, USC, and Glenville State.

Our custodians work diligently to keep our school looking much newer than its 20 years. The cooks put in long hours preparing nutritious meals for our students and staff.

The faculty and staff pull together to try to make our school a nice place to learn.

"New Guy on the Block"

In order to profile a school, we must first realize that the school is nothing without the people that live their daily lives within its hallowed hallways. Without the individual characteristics of the people associated with the building, it is just that — a building. When considering what gives this school life, one name in particular comes to mind — Mr. George Layne, our new assistant principal.

You can really tell that he loves what he is doing and who he is working with in a number of ways. He considers the school "a jewel in the hills" and "a center of teenage life in a social degree." Mr. Loyne recently moved to Pocahontas County from Fairfax County, Virginia, where he says the population is steadily approaching the "Explosive Range." This sudden change in lifestyle hasn't, however, altered his well-known, uplifting attitude or smile in any way. He refers to being in Pocahontas County as being in a wonderful, perfect nature scene.

Mr. Layne has an aura about him alive with electricity, making him truly unique. All in all, he truly deserves the respect and admiration of all!

Mr. Layne takes time out of his busy schedule to catch up on his paperwork. ■■

and domestic lessons. Her grade level was in the top half of her class. Education is the top priority in France. Her first class began at 8:00 a.m. and school dismissed at 6:00 p.m. Tina said, "I want to thank my French teacher, Dr. McNeel for teaching me three years of French and encouraging me to fulfill my dream. A big thanks to my parents, Richard and Henrietta Reigel for giving me this great opportunity and an experience that will be unforgettable. I miss all of you, but I'm wishing each of you health, happiness, and success in our new decade."

A STEP INTO THE FUTURE . . .

Career Day was held on Friday, April 6, 1990. Students were given opportunities to explore the career or careers that interested them most. Representatives from various jobs talked to the students about qualifications leading to the career. Others talked about the actual type of work that must be accomplished.

Many job representatives came from within the county. These jobs dealt with manufacturing, transportation, recreation, medical fields, tourism, ministry, law, electrical lineman, education, and business. Many showed the details of the career.

Juniorogan said, Day helps future plans classes to school and

Awards held on May the final as- fore gradu-

Jody Mor- "Career you make as to what take in high college."

Day was 29. This was semibly be- ation. As

the seniors made their entrance into the gymnasium, many thought about events of the past four years. Many seniors were recognized for the hard work they have completed throughout the past years. In the end, all of the hard work paid off. There were 38 academic awards, 12 vocational awards, and 5 athletic awards.

Some awards went to: Edgar Friel and Dara Coulter-Artists of the Year; Senior Music Award - Tammy Gordon; Top of the Mountain - P.J. Harper; W.E. "Tweard" Blockhurst Award - Randy Buzzard; Charles E. Moore Scholarship - Lori Matheny; Virgil B. Harris Scholarship - Julie Murphy; Anna Lee Dean/Top Business Education Student - Dave McClure; and David E. Smith Award - John Burks and Brad Frum.

April Boyce and Sheila Evans sit and wait patiently while P.J. Harper talks about Awards Day.

Mrs. Friel, the Spanish teacher, hands out awards to Jame Burke, freshman, and senior Beverly Tracy.

Senior Dara Coulter smiles proudly after she receives her Artist of the Year Award.

Senior Lisa D. Sharp

Ronnie Gordon, Shawn Bosley, Charbe Cole, Richard
McMillan, and David Jacobs listen carefully to one of the
job spokesmen at Career Day, Mr. Don Flegel.

On The Road Again!

Forestry Field Day 1990 was held on the windiest day of the year. 300 students gathered to watch the events. Despite the heavy winds, all went well.

This year was different from usual. Three teams participated in the events. They were more challenging and more exciting.

Special guests joined the competition, giving everyone something to laugh at. Mr. Layne and Mr. Sheets let the saw get the best of them in the crosscut by tearing Mr. Layne's pants. Jennifer Canada and Debby Rose got the best of the saw, however, by breaking off the handle. GREAT WAY TO GET OUT OF CLASS!!!!

FBLA had two nice trips this year. On April 7, they travelled to Martinsburg for "Sectionals." They were pleased to have five students place in the top three. Beryl Landis placed first in Keyboarding I, Dottie Malcom and Debbie Rose first in Entrepreneurship, Tabbi Dean second in Machine Transcription, Dave McClure second in Advanced Accounting, and Lisa Foe second in Public Speaking.

On May 5, they went to Parkersburg for "States," where, for the first time in five years, they placed in the top three. Tabbi Dean placed second in Machine Transcription. While in Parkersburg, they visited the historic Blennerhassett Island by boat.

VICA also had an exciting year. They travelled to Cedar Lakes on March 16 and 17 for state competition. They had two teams place first: Parliamentary Procedures, consisting of Brad Frum, Brett Carr, Jennifer Canada, Todd Goy, Dave McClure, Amy Workman, Travis Shinaberry, and Nevin Lucabaugh, and Display, for which Brian Puffenbarger was the spokesperson. George Goode placed second in Extemporaneous Speaking. The two first-place teams will go to National Competition June 25-29 in Tulsa, Oklahoma. Congratulations!!

VICA members that travelled to Cedar Lakes are: Mr. Beverage, Chris Goy, Allen Landis, Dave McClure, Jenny Workman, Nevin Lucabaugh, Amy Workman, Jennifer Canada, Brian Puffenbarger, Pam Friel, Stacy McClure, Debbie Rose, Junior Goode, Mike Lane, Todd Goy, Brad Frum, Brett Carr, Curtis Murray, Chris Sharp, Travis Shinaberry, and Mrs. McGee.

Junior Goode, Allen Landis, Dave McClure, and Brian Puffenbarger are trying their "skills" at playing golf.

Brian Trind, John Ayler, John Fred Burke, Reed Ayler, Steve Johnson, P.C. Dunn, Gary Tracy, and Mike Kelley are cheering on their team at Forestry Field Day.

FBA members visiting at Mount Mansfield Monastery are Lori Martin, Lisa Lee, Sarah Green, Todd Darr, Debbie Rose, Jordan Tracy, Brian Kelley, Miss Stewart, Dr. Mike McKeon, Jesse Wilson, David Johnson, Dave McKee, and David Landon and Hub Moore (not pictured Mrs. Peters).

FBA students are boarding the ferry to Blennerhassett Island.

Jessie Kelley is showing off his forestry skills as he races to improve the forest's health.

Graduation . . . Let's Do It!!!

One of the most common words among the seniors was "Senioritis"! It seemed to be the number one topic since the beginning of the new year. What made senioritis even more common was the day cap and gowns were delivered and when cap and gown pictures were taken. The excitement of the seniors could only mean one thing — it was nearing the end!

After counting down the days, the main event finally arrived. Graduation was held on Friday, June 1, at 8 P.M. in the Pocahontas Co. High School gymnasium.

Welcome presentation was by Jenny Workman. Brad Frum presented the benediction and presentation of class; P. J. Harper gave the Speech of Appreciation. A poem was presented by Randy Buzzard in memory of Buddy Kellison, and Donnelle Morris gave the opening invocation. Dan Curry gave remarks from the Board of Education. Presentation of Diplomas was by Mr. Kenneth Vance and members of the Board.

On May 25, the senior luncheon was held, as the senior sponsors served the seniors their lunch. The menu of the luncheon was: baked ham, green beans, baked potatoes, and rolls. Before lunch was served, the seniors glanced through the senior magazine, which they received that day, and shared last-minute conversations with their friends. For dessert, a fulfilling apple pie topped with ice-cream was served to tie up the afternoon festivities. Unfortunately, the Senior Picnic was cancelled due to the rainy weather.

Stacy McClure has a stunned look on his face, as he watches his classmates get ready for graduation.

The 1990 honor graduates are (front row) Beverly Tracy, Donnelle Morris, Julie Murphy, Lori Nelson, (back row) Tahsi Dean, Alar Lands, Randy Buzzard, P. J. Harper, Don McClure, Brad Frum, and Jenny Workman.
